292 (280) Main Street Fire Update

Klamath County Fire District No.1 has concluded their investigation into the origin and cause of this two alarm structure fire. The fire started in the basement area of the addition. Because of the location, it is determined that the cause was accidental. Due to the amount of fire damage, investigators could not determine the exact ignition source.

The original address given for this fire was 280 Main Street. This has been revised to show the correct address of 292 Main Street.

Damage is estimated at 1.2 million dollars for the Boston Building. In addition, \$95,000 of damage was done to 280 Main Street. Final damage to the library has not been determined. The scene has been turned over to the owner and the insurance company for demolition. Fire District No. 1 encourages the public to stay away from the scene, as the building is very unstable.

If you have questions or desire an interview, please contact Deputy Fire Marshal Scott Rice at 541-885-2056.
