Comments

Klamath County Fire District No. 1 crews responded to a reported fire on the second story, in a shared laundry room, at the Elk Apartments.

Upon arrival, crews found partial evacuation of the second floor and an individual carrying a smoldering lounge chair down the hall. The engine companies extinguished the chair and continued to take it outside.

Upon further examination of the community laundry room, it was noted that there was a smoke stain on the ceiling, and burned and damaged linoleum.

The scene was examined to determine cause, and it is currently under investigation, it has been turned over to City Police Department.
